Eastern Macedonia - Thrace Perfection

MANAGING AUTHORITY OF EASTERN MACEDONIA AND THRACE REGION OPERATIONAL PROGRAM

Funding for business establishment, with priority in the regional RIS3 sectors (Action 3a.4.2)

The enterprise GRIGORIOS ZOIS PAPADOPOULOS based in Eastern Macedonia and Thrace Region, has joined the Action "Funding for business establishment, with priority in the regional RIS3 sectors (Action 3a.4.2)" within the Eastern Macedonia and Thrace Region Operational Program, with total budget of 5 million Euros.

The Action 3a.4.2 concerns the funding for investments concerning the establishment of very small, small and medium size enterprises. The aim of this action is to stimulate the development of entrepreneurship, support new business ideas through their conversion into marketable products / services. Through the Action, priority is given to investment projects in areas of the Regional Strategy "Smart Specialization" (Regional RIS3).

The total budget of the investment is **108,467.04 €**, of which the public expenditure amounts to **75,926.92 €** and is co-financed by **Greece** and the **European Regional Development Fund** of the European Union.

Investment goals

The purpose of the investment plan is to create and promote the operation of a clinic providing services in the field of ophthalmology. The aim is for the new company to be able to provide comprehensive high quality medical services and to be competitive with other existing companies in the market.

Investment results

The expected benefits from the investment are expected to be the following:

1. Creating a modern competitive business providing ophthalmology services
2. Upgrading the access to ophthalmology services in the Eastern Macedonia and Thrace Region
3. Creating added value through investment
4. Local GDP growth
5. Improving the competitiveness conditions in the region
